

Engage Training & Refresher Sessions

Engage, is a web based resource developed by Glasgow Council for the Voluntary Sector in partnership with Glasgow Community Planning Partnership. It is a resource that supports community engagement by providing up-to-date information on the 1600+ community and voluntary groups in Glasgow and the work they undertake.

We are offering free training and refresher sessions to help users get the most out of Engage. The sessions will be held on the 15th December 2011.

The Sessions enable participants to get the most from the Engage system and will be particularly useful to individual's whose role involves engagement with the voluntary & community sector

The Sessions specifically target:

- those who have registered with Engage but have either not used the service for a while or have never received training*
- OR*
- those who would like to start using Engage and plan to register now so they can attend the training session*

Session Details

On: Thursday, 15th December
At: Gilchrist Room, The Albany,
44 Ashley Street, Glasgow,
G3 6DS

Times available: 9.30am or 11am.

Each session is free and will last for approximately one hour, covering an introduction to Engage followed by some hands-on, supported exercises.
