

## Guidance Notes for completing a Community Budgeting Funding Proposal Form 2016/17

**It is essential that you read these guidance notes carefully before filling out your Funding Proposal Form.**

Below, you will find information on how to apply and examples of proposals that can be supported. The section entitled *Completing your Funding Proposal Form* provides guidance on how to answer each of the questions in the form.

Where possible the Funding Proposal Form should be completed electronically. Forms can be emailed / posted to you by contacting the local Partnership & Development Team offices (details are provided on Page 3).

**A. Purpose of the Budget - to provide funding for projects or services that:-**

- a. are determined locally and benefit a specific area or community;
- b. the Council or other agencies are not obliged to provide; and
- c. help to address the relevant Area Partnership's Investment Priorities.

**B. Who can apply?**

**B.1** Community and voluntary organisations that are based in Glasgow and have full control over their proposal are able to apply. Organisations should:-

- be not-for-profit and should not allow anyone to profit from being associated with the organisation;
- have a Managing Body, management committee (or similar body) which meets regularly;
- have elected office bearers e.g. chairperson, secretary and treasurer;
- have a Governing Document (e.g. a constitution) that has been approved by the organisation and signed by an office bearer; and
- have a bank account with at least 2 unrelated signatories.

**B.2** Public sector organisations will also be eligible to submit funding applications where they have demonstrated;

- ✓ Fit with local priorities;
- ✓ Involvement of local communities; and
- ✓ Additionality to core remits.

Grants should be used to replace funding for services or activities that has been withdrawn by the Council or by another funder.

**C. What can and cannot be supported.**

**C.1** Funding can be sought for projects or activities that help to deliver the North East Area Partnership's locally agreed priorities; they are

- Community safety
- Services for young people
- Activities in community facilities
- Children's Play Areas

Proposals that do not fit with the investment priorities but that make a **strong case for consideration** may also be considered. Applications will be deemed to have made a strong case for consideration if they:

- Demonstrate a fit with the wider Council, Glasgow Community Planning Partnership or Glasgow's Single Outcome Agreement priorities;
- Demonstrates clearly:
  - a response to an identified need within the local community;
  - that it has involved the local community in its development; and
  - will benefit the local community;
- Provide a response to new or emerging issues (which had not previously been identified as an investment priority); and
- Respond to "exceptional circumstances".

C.2 Based on C.1, the Community Budget can fund a wide variety of developmental projects. For example, projects that promote community activity, short-term/pilot projects (including staff costs), provide new equipment/materials for local organisations, activity costs at residential centres, environmental improvements, production of educational plays/materials, hire professional instructors, start-up grants or bus hire for day trips.

C.3 What the Area Budget **CANNOT** fund:

As outlined in C.1, the Community Budget should not be used for proposals that are not targeted at local priorities and do not make a strong case for consideration. In addition, there are types of proposals for which the Community Budget fund should not be used, as follows:

- Proposals for Ongoing Project/Service Running costs;

Due to the relatively small scale of the Budget, it is designed to provide relatively small, one-off grants throughout the year, ensuring that a wide range of new and existing local organisations can access funding each year to develop their activities.

- Proposals for Activities that conflict with the policies of Glasgow City Council;

Proposals that conflict with these policies will not be funded. This includes a proposal where members of the community are unnecessary excluded, e.g. on the grounds of race, faith, gender, sexuality, disability.

- Proposals for Statutory provision;

Funding won't be provided for services that any organisation has a legal responsibility to provide, regardless of whether or not the organisation is actually providing the service.

- Proposals for Retrospective funding;

Projects that have already begun (e.g. where equipment has been bought or ordered, or where services or activities have already been provided) will not be funded. Organisations should also not assume that funding proposals will automatically be

supported and, therefore, applicants should wait until approval has been given before incurring any costs.

- Proposals that would be more appropriately funded from other source(s);

C.4 If you are still unsure if your proposal is eligible, contact us by phoning the appropriate local Partnership & Development Team offices (details are provided in Section E.1).

#### **D. How are proposals evaluated?**

D.1 Prior to the Community budgeting event, the relevant officer will assess the proposal's eligibility against the criteria outlined in Sections B1, B2, C1 and C3. Once eligibility has been determined, an assessment will be undertaken as to the merits of the proposals including whether there are any financial and/or operational risk to the Council.

Under most circumstances, staff and/or volunteers working with children and young people will need to be registered with the Protecting Vulnerable Groups Scheme (PVG) to ensure they are not on the list of people excluded from such activities. Your organisation may be committing an offence if it offers childcare work (paid or unpaid) to someone who is on this list, so it is important to seek advice if you are in doubt. Further information on the Protecting Vulnerable Groups Scheme can be obtained from Disclosure Scotland at (i) [http://www.disclosurescotland.co.uk/pvg/pvg\\_index.html](http://www.disclosurescotland.co.uk/pvg/pvg_index.html)

or (ii) by telephone on PVG Scheme Help Service - telephone helpline: 0870 609 6006.

If your staff or volunteers are registered, either under the current disclosure arrangements or the new PVG Scheme, please tick box Yes. If they are not currently registered, please either tick box No or Not Applicable.

If the Council already holds the most up-to-date versions of any of these documents, you do not need to submit a further copy.

You are only required to provide the Constitution or Memorandum & Articles of Association and Operational Policies, if you are a new applicant or the documentation has changed since the last Area Budget grant award that your organisation received.
