THRIVING PLACES

News, events and more from YOUR community

Welcome To the New Thriving Places Newsletter

Thriving Places is about bringing people together to help improve a local area. This means building stronger links between different community groups, services and organisations. Thriving Places aims to:

- Empower local people to have a real say in decisions that affect the local area,
- Support local community groups, organisations and services to really engage with local people.
- Bring together community groups, services and organisations to improve the quality of people's lives in the local area.

CREATIVE COMMUNITIES

Did you know that Kate Cranston, who set up the first tea rooms in the city lived in the middle of Househill Park and the famous Glasgow architect Charles Rennie Mackintosh, designed the interior the house?

Saturday 20th July, 1 - 4pm, come and celebrate this local story with activities, games and home baking in Househill park, at a temporary 'tea room' in the MUGA sports pitch. This is a Free event - great for the family!

Pupils from St Bernard's & Cleaves Primary's recently visited and planted roses in the Rose Garden. However there is still a lot of work to be done.

We are having a 'Community Clean-Up' on June 23rd. This starts at the Baptist Church on Haughburn Rd and 1pm.

This year's Gala Day will be held on the 17th August. Plans are well under way to ensure a great day for the community
