	<p>The aims of the project is to promote Fearless, which is a youth sector medium for Crime Stoppers UK aimed at young people, in a local context to encourage and give young people in Newlands &amp; Auldburn the strength and confidence to report criminal behaviour and to help them understand and realise that by doing so, they could be preventing harm, abuse or even saving a life.</p> <p>Police Scotland will achieve this by utilising the Campus Officer at Hillpark High who will work alongside the Fearless team who will deliver this project which is needed as there is a significant under-reporting in crime from young people who will often be the first to know of or be aware of the intent of another person to commit crime within their peer group. This could be someone saying they're bringing a knife to school, or that they're going to go after another person due to a dispute, as well as substance misuse among their friends. We need to change this mind set from 'being a grass' to being someone who cares about their friends</p>			<ul style="list-style-type: none"><li>- Cardonald</li><li>- Pollokshields</li><li>- Govan</li></ul> <p>This award is subject to:</p> <ul style="list-style-type: none"><li>- The grant recipient must adhere to Government advice with regard to the coronavirus (COVID-19) outbreak</li></ul>
